AUGUST – God will lead us to VICTORY

This month we are learning that God will lead us to VICTORY! Through Jesus' death and resurrection, we already have a chance to be a part of the greatest victory of all, but even in our lives God is leading us as we follow Him. Through the book of Esther we have learned that God can use ANYONE who is willing. Take time and write down ways you feel like God wants to use you in life. What are some things that make you nervous as you follow God? What gets you excited? Who do you know follows God and what do you admire about them?
